

# BRAINWAVE<sup>01</sup>

The Brainwave<sup>01</sup> earbuds are earbuds packed with top technology. They ensure optimal wearing comfort and excellent sound quality. The built-in EQ and microphone guarantee a balanced sound that fully brings out the highs and lows. With the intuitive touch control, you can easily switch between your playlist and a phone call. You can barely feel these Brainwave earbuds, they weigh almost nothing and they are water resistant. To make sure they fit every ear, we include custom ear tips. These earbuds give you up to 4 hours of autonomy and the stylish case is also your charger; good for up to 12 hours of wireless enjoyment!

## BRAINWAVE<sup>03</sup>

Because better sound starts with better silence, these Brainwave<sup>03</sup> earbuds combine state-of-the-art noise cancelling technology and dual microphones with sophisticated EQ functionality. The result is that high and low ranges have never sounded so pure, as any disturbing noise is nicely filtered out. Switching between your playlist and a phone call is intuitive, thanks to touch control. These Brainwave earbuds are comfortable and stable and they are water resistant. To make sure they fit every ear, we include different ear tips.

These earbuds give you up to 4 hours of autonomy and the stylish case is also your charger: good for up to 12 hours of wireless enjoyment!

*Thanks to active noise cancelling, you can organise your workspace wherever you want.*

# BRAINWAVE<sup>05</sup>

The Brainwave<sup>05</sup> on-ear headphones give you wireless freedom and flawless sound quality. That so much technology can be contained within a weight of just 140g is unprecedented. Its built-in drivers generate a very clear, powerful and above all warm sound, both quiet and loud. You can easily control the volume of these wireless headphones using the very intuitive push buttons on the earcup, which also allow you to switch between music and phone. Another plus: the built-in microphone captures your voice in a crystal clear fashion. The headband on this Brainwave is made of durable material that is so comfortable that you forget you're wearing it.

## BRAINWAVE<sup>07</sup>

These Brainwave<sup>07</sup> over-ear headphones produce stunning sound quality, thanks in part to their active noise cancelling with zero tolerance for interference. The dual microphone detects and neutralises any ambient noise without mercy. If you do want to hear the sounds of your surroundings, you can switch to conversation mode with just one click. For the design, the engineers perfectly took our anatomy into account. They chose durable materials with extra-soft ear cups that house all the controls. The Brainwave07's ease of use allows you to enjoy crystal clear sound quality anytime, anywhere for up to 35 hours.

*With Brainwave<sup>07</sup> you can create your own world anywhere, even when around others.*
